1. Create an account at <https://scalermusic.com/redeem/> (This does not have to be the same email address you use at Plugin Boutique).

The screenshot shows the 'Create an Account' page on the Scaler Music website. The page has a dark theme with a blue accent bar. At the top, the Scaler Music logo is centered. Below the logo is a navigation bar with links for Home, Products, Forum, and Support, along with user and shopping cart icons. A blue banner below the navigation bar reads 'Preorder Scaler 3 Now and Save!'. The main heading is 'Create an Account', followed by the instruction 'Please create an account to redeem your code.' The form consists of four input fields: 'First name', 'Last name', 'Email address', and 'Create a password'. Below the fields is a paragraph of text explaining the terms of service, followed by a checkbox labeled 'I agree to the Privacy Policy and consent to the collection and use of my data as outlined above.' and a blue 'Create my account' button.
