

Scaler 3 Redeem Code UX

1. Create an account at <https://scalermusic.com/redeem/> (This does not have to be the same email address you use at Plugin Boutique).

The screenshot shows the 'Create An Account' page on the Scaler Music website. The page has a dark theme with white text. At the top, there is a navigation bar with the Scaler Music logo and links for Home, Products, Forum, Support, a user icon, and a shopping cart icon. The main heading is 'Create An Account', followed by the instruction 'Please create an account to redeem your code.' Below this, there is a link 'Login Here' for users who already have an account. The registration form consists of five input fields: 'First name', 'Last name', 'Email address', 'Confirm email', and 'Create a password'. Below the form, there is a paragraph of terms and conditions, a checkbox for agreeing to the privacy policy, a reCAPTCHA widget, and a 'Create My Account' button.
