

Scaler EQ Pro Redeem Code UX

1. Create an account at <https://scalermusic.com/redeem/> (This does not have to be the same email address you use at Plugin Boutique).

The screenshot shows the 'Create An Account' page on the Scaler Music website. The page has a dark background with white text and light gray input fields. At the top, the Scaler Music logo is centered. Below the logo is a navigation bar with links for Home, Products, Forum, Support, and user icons. The main heading is 'Create An Account', followed by the instruction 'Please create an account to redeem your code.' and a link 'Already have an account? Login Here'. The form consists of five input fields: 'First name', 'Last name', 'Email address', 'Confirm email', and 'Create a password'. Below the form is a paragraph of terms and conditions, a checkbox for agreeing to the privacy policy, a reCAPTCHA widget, and a 'Create My Account' button.
